## Committee News

### Free Bus Trips

Mary Martin, County Coordinator

Sixteen people participated in the June bus trip to Clayton Library.

Our future dates for bus trips to the Clayton Library are: **Wednesday, August 19, and Tuesday, September 29, 2009.**

We meet in front of the **Clear Lake Community Association and Recreation Center at 16511 Diana Lane ([online map](#)).**

The county bus departs at 9:00 am and leaves the Clayton Library at 3:00 pm to arrive back at the parking lot before 4:00 pm.

If you have any questions or would like to go with us on any of these trips, please call Mary Martin at 281-332-2435, or e-mail Mary at [lmartin497@aol.com](mailto:lmartin497@aol.com). Sign-up sheets are also available at the general meetings.

The BAGS' website, [www.TxBayAreaGen.org](http://www.TxBayAreaGen.org) and the newsletter always have a current listing of library trips. If you would like to join us for a trip to the library, bring a sack lunch. The library has drink and snack machines in the snack room. We have a good time getting to know other members of BAGS and sharing information as we ride to and from the library on the bus. Lewis Jarman has found ancestors that he has in common with at least two other BAGS members. If you are new at genealogy or haven't been to the Clayton Library, consider going with our group. We have several experienced people doing genealogy who go on the bus, and the librarians are always available to help you find your ancestors. There is also a packet of information that the library gives to first time visitors that is very helpful.

## City Directories

At last month's meeting, Cary Hall from Clayton Library demonstrated the wealth of information old city directories provide genealogists. For individuals, the directories can include occupation, employer's name, religious affiliation, marital status, and ethnicity. Cary encouraged us to use city directories not only to locate people but also to discover local history, maps, nearby towns, and names and locations of cemeteries, newspapers, schools, churches, organizations, institutions, and businesses.

**The Bibliography of American Directories through 1860** by Dorothea Spear available at Clayton Library is a good resource to determine cities and dates directories were published. A number of the city directories are available on microfilm.

Going to Washington D.C.? DAR Library printed collection of city directories concentrates on the early 20<sup>th</sup> century, while a microfiche collection offers pre-1860 directories.

Online digital book collections included in [HeritageQuest](#) Genealogy & Local History Book Collection, [Ancestry.com](#), [Footnote.com](#), and [Google Books](#) include city directories. Also look for references to city directories within HeritageQuest Periodical Source Index (PERSI, see page 4), and [Cyndi's List](#) ([www.cyndislist.com/citydir.htm](http://www.cyndislist.com/citydir.htm)).
