## *A Message from the Editor ~*

A little over eleven years ago, in September of 2001, Bay Area Genealogical Society was born. It was founded by Carolyn Traweek Hellen with nothing but a dream and the determination to make that dream come true. More than a decade later, the Society still flourishes. Thank you, Carolyn, for following your dream!

Now that the official cutoff date to be in the Yearbook is the September meeting, it is more important than ever that memberships be renewed on time. The purpose of moving the date back to September is so that the Yearbook can be ready for distribution at the October meeting, before we break for the holidays, rather than waiting until the January meeting.

If you missed the deadline this year, be sure to mark your calendar for next year. We want you to be in the Yearbook! Renewals and reminders will begin next summer, so you will have plenty of time to renew before the next deadline.

Listed in this Yearbook are the members who were on the Registrar's roster as of September 30, 2012. We have included as many member photos as were made available to us. Thank you! It is a great help to be able to put a face to a name. Someday your Yearbook may be a cherished possession of one of your descendants. Imagine how delighted they will be to see your picture! If we did not receive your photo in time for this Yearbook, plan to get one to us well before next year's deadline. We want you to be included!

As always, every effort has been made to ensure accuracy. If a mistake has been made, please let me know so that we can correct our records.

I hope you enjoy your Yearbook!
