A Message from the Editor ~

A little over eleven years ago, in September of 2001, Bay Area Genealogical Society was born. It was founded by Carolyn Traweek Hellen with nothing but a dream and the determination to make that dream come true. More than a decade later, the Society still flourishes. Thank you, Carolyn, for following your dream!

Now that the official cutoff date to be in the Yearbook is the September meeting, it is more important than ever that memberships be renewed on time. The purpose of moving the date back to September is so that the Yearbook can be ready for distribution at the October meeting, before we break for the holidays, rather than waiting until the January meeting.

We missed both the deadline and January this year due to a combination of problems. May the goal for next year be met! Renewals and reminders will begin next summer.

Listed in this Yearbook are the members who were on the Registrar's roster as of January 30, 2014. We have included as many member photos as were available. If we did not receive your photo in time for this Yearbook, plan to get one to us well before next year's deadline. You may have a photo made at one of our meetings.

As always, every effort has been made to ensure accuracy. If a mistake has been made, please let the Registrar know so that the records may be corrected.

Enjoy your Yearbook!
