A message from the Editor~

A little over seventeen years ago, in September of 2001, the Bay Area Genealogical Society was founded by Carolyn Lorraine (Traweek) Hellen with nothing but a dream and the determination to make that dream come true. The Society continues to flourish to this day. Thank you, Carolyn, for following your dream!

2020 was an incredibly stressful year due to COVID-19. With the coronavirus pandemic, we have had to dramatically adjust our lifestyles to working in isolation and online. Since March 2020, BAGS conducted all meetings online utilizing various video platforms, which sometimes proved very challenging to our members. Our thanks to the Texas State Genealogical Society for their help in facilitating many of our online meetings.

Several of the positions on the Board of Directors had turnover or were vacated. Some of this was due to the overwhelm created by the pandemic, some was because of health reasons, and some because there was no participation in the role. Please consider volunteering to fill one of our vacant positions, so we can keep our Society active and thriving.

Listed in this yearbook are the members who were on the Registrar's roster at time of publication. We have included as many member photos as were available. If we did not receive your photo in time for this yearbook, plan to get one to us well before next year's deadline. You may have a photo taken at one of our meetings or submit a JPG file to yearbook@TxBayAreaGen.org.

As always, every effort has been made to ensure accuracy. If a mistake has been made, please send an email to yearbook@TxBayAreaGen.org with the correction.

Enjoy your yearbook!

Lisa Smith
